Sample Vocalist's VIMA Europe Schedule

Below is a sample schedule of a typical day for a vocalist at VIMA. Please keep in mind that this is just an example and that every day will be similar to this, but it won't be exactly this schedule.

- 7:30-9:30 = Breakfast
- 8:30-9:30 = Italian Diction Class (optional)
- 10:00-1:00 = Opera Rehearsal
- 1:00-2:00 = Lunch Break
- 2:00-5:00 = Opera Rehearsal
- 5:00-7:00 = Dinner Break
- 7:00-9:00 = Opera/Musical Theater Rehearsal (on certain days)

Some important things to remember when reading this schedule:

- Meals:
  Breakfast is included, but participants are responsible for getting their own lunch & dinner.
- Additional Schedule Items:
  There will be additional items on your schedule depending on the day, such as voice lessons, coachings, masterclasses, etc. The goal is to work around the call sheet for the opera/musical theater rehearsals and schedule all private lessons and coaching sessions around those times; however, depending on the role, this can be difficult. In those circumstances, a participant might need to leave rehearsal to attend their lesson and/or coaching.
- Diction Classes:
  Attendance at the Diction Classes is optional, but also encouraged. This year the diction classes being offered is Italian. The classes will take place during weeks 1 and 2.
